## Celebrity Status Bio

Jessica Sitomer, the Greenlight Coach™, is a long-time expert in the entertainment industry, having worked in all areas, from writing and acting to directing and development. She's produced a sitcom pilot as well as two television series, one for MTV and a reality show that is now in post-production.

She's coached thousands of entertainment industry professionals on how to rise to celebrity status in their field. Sitomer also brings a little "Hollywood Glitz" to authors, entrepreneurs, marketers, sales people, and others by sharing what her top 10% celebrity clients have done, and how you can use the same formula to rise to Celebrity Status in your field.
